

Newington Wyvern house Oshclub Newsletter

Well, I am not sure how our OSHCLUB community is feeling but I am sure it's a similar rush of emotions as we say goodbye to term 1. Where did that time go? All of our boys have grown up so fast in such a short amount of time. Yet, here we are bidding farewell to a fantastic opening term of our new year and ready to see what term 2 brings.

Happy Easter

Before I go further it is imperative I begin by saying that I hope we all had a wonderful break and celebrated the Easter long weekend filled with family, fun and hopefully a lot of sweets that we will all be regretting this week(or not).

What's been happening?

In the culmination of our term 1, the boys have been doing so many wonderful things here at OSHCLUB before and after school care

Before school care

Before school care is always a great time for both staff and students. Although we get boys dragging in their feet and trying to open their eyes, the result of an early morning, they have a big bright smile on their face and never feel its too early to get sweaty, the boys are always out on the rooftop kicking a ball or playing running races to stimulate heart rate and cognition in the early morning. Nutrigrain, Weetpix bites and raisin toast are the most popular breakfast foods that assist the boys to stay fuelled for their big day. As well as this, making your own football jerseys, making emoji faces and bookmarks are just some of the craft activities enjoyed by our morning boys.

After school care

As always, our outside space and our structured group games is always the highlight of our aftercare. Recently, cricket has been incredibly popular with all of our Wyvern boys. However, leading up to the Winter season the boys have been getting into AFL and Touch Rugby and showcasing the rising stars of our future sports teams. As always games like snatch and dodge ball have been extremely popular. It is our sports that assist our boys to undertake fair play, engage in sportsmanship and build honesty and trust for one another, We love this aspect of our aftercare assist produces such varied benefits for the boys. As always, there is also free play areas including the building blocks and designated lego areas that the boys always enjoy.

Inside, the focus has been on board games with chess competitions and family feud dominating the boys interest. However, keeping in the Easter theme, the boys have loved doing a multitude of Easter craft that were placed around OSHCLUB to get into the feel of the Easter holiday.

What's next?

As we wrap up our first term, there is no rest for the wicked here at OSH. We are busy planning our holiday program and can assure you it will be one of the best yet. We have two excursions to Elizabeth farm and Inflatable world, along with lets get messy theme days, a wildlife incursion and so much more. Please remember to book your children in to ensure that we can organise staff and ensure no one misses out on a fantastic holiday program

Farewell

For those of our families not joining us in holiday program, I would just to say a big THANKYOU for an amazing term 1. We are so blessed here at Wyvern to have such amazing boys and families that make each and everyday enjoyable, exciting and different from the previous. I hope you all have a very restful break and enjoy some family time. We look forward to a bigger and better term 2.

Booking Reminders

Thank you to all of our families who are remembering to book in regularly. This helps us maintain safe staff to child ratios and ensure we have plenty of food prepared for our hungry boys. We do understand that last minute events arise and for this reason we do accept drop ins; However, if you know that you'll be needing one off care, please endeavour to book online the day prior to your child attending the service. You have until midnight to book your child in for the following day. Should you need to make a late
