

Newington Wyvern house Oshclub Newsletter

WELCOME WELCOME WELCOME !

Yes, I am a little excited (maybe over excited) to see my wonderful before and after school care boys and families for what I know will be one of our best terms yet. I really can't believe we are welcoming in another term. The days are flying by and before we know it, we will be preparing for Christmas and waving another year goodbye. However, before I begin expressing the fun and excitement that will infuse our term 2, I must update you on what has been happening for two weeks here at Newington. While our kids and teachers recharged, the oshclub staff and vacation care children were busy at work, creating and participating in our wonderful Holiday program. I must thank all of our children and parents for a successful holidays program. Please look at the photos below for an idea of what fun we had. Our reptile incursion getting up close with snakes and kissing cockroaches was definitely a crowd pleaser. We also visited inflatable world, made pizzas and showcased our talent at Oshclubs got talent. A very successful april holiday program and we look forward to our July vacation care. Program flyers will soon be out for parents to start booking in early. As we look into the July holiday program it just gets even better. Movies, sky zone, wildlife reptile park and a tour of the SCG and Allianz stadium is just a snippet of what we have on offer.

Whats on at before school care this term

Before school care is always a great time for both staff and students. Although we get boys dragging in their feet and trying to open their eyes, the result of an early morning, they always have a big bright smile on their face and never feel its too early to get sweaty, the boys are always out on the rooftop kicking a ball or playing running races to stimulate heart rate and cognition in the early morning. Nutrigrain, Weetpix bites and raisin toast are the most popular breakfast foods that assist the boys to stay fuelled for their big day. As well as this, making your own football jerseys, making emoji faces and bookmarks are just some of the craft activities enjoyed by our morning boys.

Whats on at After school care

As always, our outside space and our structured group games is always the highlight of our aftercare. As Winter approaches, Rugby and AFL Is now at the peak of our boys interest. It is always a fierce competition in these sports but it is so wonderful to see, so early on in the term the great sportsmanship shown by our boys. Great athletes are not just good players but respectable men on the field, and that's what we love to see during out team sports at OSH. As always games like snatch and dodge ball have been extremely popular. It is our sports that assist our boys to undertake fair play, engage in sportsmanship and build honesty and trust for one another, We love this aspect of our aftercare assist produces such varied benefits for the boys. As always, there is also free play areas including the building blocks and designated lego areas that the boys always enjoy.

Inside, I have been busy shopping for the boys and have purchased new board games, cushions, bean bags and other indoor equipment to set the term up for success. Additionally, last term the boys asked for a designated 'art club' area which will be in full swing this upcoming term.

So, on that note, until I update you again, we hope all of our wonderful families settle in for what we know will be an amazing term 2.

Booking Reminders

Thank you to all of our families who are remembering to book in regularly. This helps us maintain safe staff to child ratios and ensure we have plenty of food prepared for our hungry boys. We do understand that last minute events arise and for this reason we do accept drop ins; However, if you know that you'll be needing one off care, please endeavour to book online the day prior to your child attending the service. You have until midnight to book your child in for the following day. Should you need to make a late booking however, please call me on 0428 131 700. If the call does not go through, please leave either a voicemail or text with your child's name and year and what care type they need (before care or aftercare) for what date.

Homework club

As always, homework club remains a vital aspect of our after school care. I ask that any parent wishing to enrol their children in homework club either sends a message via text or speaks to me (or any of the staff) in person to identify what days homework will be done and communicate the homework needed to be done for the day. We know this is a stress for parents getting their children to do it after a long day at school. We aim to make the learning environment fun and enjoyable, coupled with adequate food and an incentive of fantastic activities to be done post homework that ensures children are engaged.

Quotes of the week for our boys:

In a world where
You can be
anything, be
kind.

ONE KIND WORD
can change
someone's
entire day

The **Golden** Rule
