## 9A/B FOOTBALL TEAM MATCH REPORT

With a successful start to the football season, the Year 3 A/B squad were excited to once again play an away game against a difficult opponent. St Aloysius proved they are a reputable football force with a strong defensive game and a strong midfield. Proof of this was the halftime score line with the A team being 0-0 and the B's finding themselves down 2-1. This was unusual territory for the whole squad, being known for their composed and structured attacking style football. The B team found it difficult to penetrate the St Aloysius defence and unfortunately came away with a 3-1 loss. It was better news for the A team with two quick goals during the second half, securing a 2-0 win. The boys are to be congratulated for the way they represented Wyvern - playing fair and competitive spirited football, and persevering to the final whistle.

### **9BLACK FOOTBALL TEAM MATCH REPORT**

It was a beautiful Saturday morning on 26<sup>th</sup> May 2018. The boys reached Willoughby Road with a spring in their step. Under the guidance of Ms Aimee Parkinson and coach, the boys warmed up. St Aloysius team looked motivated and it was almost certain that the game would be well contested.

Newington 9Black dominated the first half with solid defence, mid-field passing and team work. There we some amazing dribbling, through passes and goal keeping. The team operated like a well-oiled machine.

The second half continued with the boys pushing forward as a team putting relentless pressure on St Aloysius. By the time the final whistle blew, the score was 8-2 in favour of 9Black team.

The game was nothing short of a true Wyvern Spirit in action. What an outstanding team effort! You have made us proud.

### **9WHITE FOOTBALL TEAM MATCH REPORT**

The Wyvern Whites stepped out into the icy air of Tempe Football Fields bright and early on Saturday morning. The boys were excited to play again after a very convincing win in their previous match. We were preparing for a challenging face-off against Newington Lindfield, a true rivalry if ever there was one. Jack Cleary and Max kicked off to start the game and the momentum was strong from the very start. Daniel started in goals and made some outrageous saves, but the Lindfield strikers managed to sneak a few past our defence. We were astounded that they could break through our solid back line of Callum, Ethan and Andrew. When passing from the keeper, the Mighty Wyvern Whites did a brilliant job of keeping the ball out on the wing and passing up to Jack Cornish, who drove it all the way up to the opposing goal. Despite the determination and collaboration of our legendary footballers, we were unsuccessful in our quest for victory. All players showed tremendous Wyvern Spirit and a positive attitude. Well done Year 3 Wyvern Whites.

### **AFL DIVISION 1 TEAM MATCH REPORT**

The Newington A's competed in a tough battle vs St Pius in Round 4 of the AFL. Newington's midfield finally clicked into gear and supplied the forwards with many more opportunities to score, whilst the defence provided some stiff resistance against a talented and speedy St Pius side. Keaton Sagggers, in his first game for the A's, and Benny Hunt, back from a nasty head injury, provided plenty of grunt in the backline and led the team in displaying Wyvern Spirit. The boys are keen for a trip up north to take on Barker at Rofe Park in Round 5 to score their first win of the season.

**Justin Brayley - Coach**

### **AFL DIVISION 3 TEAM MATCH REPORT**

The Year 5/6 B AFL team played an interesting but tough game on Saturday against St Aloysius. The Newington team persisted until the end knowing they weren't playing for the loss but playing for the pride of the school. The match was one-sided but great plays were made from the boys in black and white. The game was another chance for enjoyment for our Year 5 and 6 boys. We thank our coaches and manager and of course our parents who get us to the games each week.

We thank St Aloysius for putting up a great game.
