CRICKET YEAR 3A TEAM MATCH REPORT

On Saturday the 27th of October Newington 3A's cricket team played Barker at their school. I got five wickets during the game. I think we had a smashing game because our team got lots of wickets and it was a really close game.

It was a wonderful game, we almost won but we lost. Even though we lost we still had a wonderful game, we hit tons of wickets while fielding and got so many runs. Go us!

We had a good cricket match on Saturday and even though we didn't win I have hope we will win next week.

CRICKET YEAR 3B T20 BLAST TEAM MATCH REPORT

The 3B's had a momentous game this week against Baker on Saturday. Wyvern started batting with fierce determination and proved they were in for the win. Every single student showed immense improvement when they stepped on the oval for a bat. With impressive footwork and unwavering hand-eye coordination each batter added valuable runs and boundaries. On the field we continued to lead with some great bowling and fielding and they were able to seal a win. A special mention goes to Max Coumbiadis for bowling a hattrick. Each student showed great Wyvern spirit. Overall, an incredible effort!

BASKETBALL 5/6C TEAM MATCH REPORT

On the 27th of October the C team had a huge battle against Mosman C's and unfortunately came out of the game with a score of 24-16. Besides the loss, the whole team played extremely well and showed the true sportsmanship of Wyvern.

We worked together very well, and we were able to get many shots up but struggled to get the points on the board. Sadly, towards the end of the game, our energy and effort dropped causing our defense to crack. This gave the opposition many points. We also struggled to get the rebounds off shots so this meant that Mosman started to take the lead. Hopefully, we all realise that we cannot allow to give up on the team and always have to give our best effort.

Overall the C's didn't have the worst second game of the second half of the season. The first half we were leading, but next time I hope that we can improve our defense. I wish the best for all teams of Wyvern next round and hope that we all can pull in some wins.

BASKETBALL 5/6D TEAM MATCH REPORT

Eight enthusiastic Wyvern students made their way onto the basketball courts on a cool Saturday morning ready to play their second game of basketball against Mosman after what felt like a long winter break. We were ready for a challenge.

Good defense made it difficult for both teams to score resulting in many turnovers. It was a tight game with no team having a huge advantage over the other – the result could have gone either way up until the final whistle was blown. Unfortunately, we didn't get the result we were hoping for losing 11-6.

The team spirit was incredible. We had fun, encouraged each other, showed humility, were resilient, gave our best and most of all played like a team.

Special thanks to our coaches, family and friends who cheered us on.

Well done team.

Hunter Fadel - 6J

TENNIS B TEAM MATCH REPORT

On Saturday the Tennis B team arrived bright and early to play the boys and girls from SCEGGS Redlands. Without our Number 1 player this week (who was helping out the A's) everyone moved up in the ranking and Richard came up from the reserve squad.

After a warm welcome by Hunter the matches started. Edmund and Oakley won their doubles 5 to 2. Fred and Hunter continued the winning streak with a close fought match at 4-3. Both the teams of Luka and Vishay and Ethan and Richard played hard but went down 3 to 4. All boys played strongly in the singles which resulted in a final score of 36 games to 32 for a Wyvern win.

Man of the Match went to Edmund and the Wyvern Spirit Award went to Oakley who played despite having significant knee pain.

Congratulations on the win boys, good luck next week against Cranbrook.
