Coordinator Corner

Welcome to the start of Term 1, 2019! I hope that everyone has had a fantastic holiday and we are coming back to school full of fresh energy. Our Summer Vacation Program has been a blast – each day filled with fun activities and challenges for our young budding minds. We also had fun excursions to places like the aquarium, laser tag and everyone's favourite, the movies. We are so excited for the school year and have heaps planned for your children, so be on the lookout for what's to come.
