BASKETBALL YEAR 5/6 A TEAM MATCH REPORT

The 5/6A's had a great match with the Cranbrook A's at Dangar on Saturday. In a tightly fought and hotly contested game, both sides played at a frenetic pace throughout the match. Ultimately, the Newington boys, led by Joshua, Orion and Daniel managed to create a small lead – aided by some great play from all the other boys. Despite a strong comeback from Cranbrook, Newington snuck the win 19-14.

BASKETBALL YEAR 5/6 B TEAM MATCH REPORT

The 5/6B's were given a stern basketball lesson in their outing against an experienced and talented Cranbrook side. Whilst Newington fought valiantly throughout, Cranbrook's defensive pressure and relentless rebounding allowed them to gain the upper hand early in the game. All is not lost for the Newington boys, however, as they continue to improve despite the result, with many players showing outstanding growth and development in the first four games of the season.

Justin Brayley – Coach

BASKETBALL YEAR 4/5 C TEAM MATCH REPORT

On Saturday the 5th of March the Year 5 and 6 C's basketball team played Cranbrook. The game was a high scoring battle with both teams shooting well. The Newington boys flexed their perseverance muscle throughout the game as they tried to defend Cranbrook's speed. Unfortunately, Cranbrook's fast feet down the court led to a few layups resulting in Cranbrook winning the game 29-17. The Newington boys played their best game of the season and continue to improve each week.

BASKETBALL YEAR 5/6 D TEAM MATCH REPORT

On the weekend the Year 5 and 6 D's basketball team played Cranbrook. The boys played with determination throughout the game working hard to ensure that Cranbrook scored no easy baskets. The game was close at the start with both teams playing tight defence. Unfortunately, Cranbrook's long-range shooting helped them secure a 23-7 win. The Newington boys played a team game with Wyvern Spirit until the end.

Ashleigh Byers – Manager

CRICKET YEAR 3B TEAM MATCH REPORT

The 3B cricket team has shown tremendous improvement every week this season, with last Saturday as no exception! This week Newington faced St Aloysius. Both teams played a great game. Newington began the game fielding with some spectacular saves, particularly from Henry Eversgerd and Arun, and followed it up with solid batting from every player. Run for run, it was an evenly matched game, but St Aloysius crept ahead with a few wickets scored against us for a final result of 95-67.

Amy Kirk – Manager

WATER POLO B TEAM MATCH REPORT

On Saturday 23rd of February 2019, the Wyvern 5/6B Water Polo team were pumped for an exciting game against Waverley College. In the first quarter, Wyvern started off slowly and let in a few easy goals. Oliver Turner and Michael Caredes made some great defensive plays against the opposition to prevent them from scoring again. Aleksander Barlin did exceptionally well to gain possession at the swim up helping the Wyvern team to get the ball early and establish our position within the opposition half. When the second quarter begun, it was like we all had a fire burning inside of us, a fire of determination. When we had possession, our passes seemed to flow resulting in a goal from Luka Wong outside the 5m. In the third quarter we seemed to ease into our defence, drifting into the opposition's half. Wyvern's passing was certainly improving with more balls being caught and passed towards to goals. As the game went on unfortunately the scoreboard didn't reflect the way we played. The fourth quarter was definitely our best with Joel Miller setting up goals and displaying speed and agility in defence and attack. Unfortunately, the final score was 5-3 to Waverley College.

Overall as a team we may not have got the win this time, but I think that our cooperation and teamwork was exceptional on Saturday. Even though it was exceptional we still have to keep forming new bonds and working on new set plays every training session. I would like to thank Mr Moar and Mr Baker for their constant support and words of encouragement throughout the game. They have definitely given us some specific goals to work on for future games and with a positive outlook I'm sure the team can improve from here.

Michael Caredes 6B
