9White Football	vs	Kings	Won Won	4 – 2 16 – 1	M. Dare	A. Thanigasalam

## AFL B TEAM MATCH REPORT

The team played a great game, dominating Riverview in the first 3 Quarters. We need to work on our fitness and stamina because they neatly came back in the last quarter. We only ended up winning by 5 points. We are working well as a team already and we found the game was fun to play. Well done to Nick Chiew who was best and fairest and Jed Robertson who had a great all-round game. Congrats to the goal kickers who got us our 4 goals. We hope to convert more behinds to goals next week. Thanks To Oliver Turner as captain for the week and all the parents for supporting us and driving us across Sydney.

**Nicholas Chiew 5D**

### **11A FOOTBALL MATCH REPORT**

Wyvern's 11As played an excellent match against a very competitive Kings team, in challenging, windy conditions. The team built on their performance in Round 1, again displaying resilience and teamwork in their play, remaining positive despite going down by two early goals. Liam Casey's spirited efforts in defence kept Newington in the game, as he tirelessly shut down attacking raids from the opposition, whilst Liam Ross' incisive passing and movement off the ball allowed him to create space on the field and get a goal back for the team. Christian Knoph's commanding presence in the middle of the pitch allowed him to win crucial ball and distribute possession to the likes of Xavier Breslin and Lachlan McCrostie, with the latter finishing some great team build-up play for Newington's second goal. The final result was 2-5 to Kings, but the Newington boys will take a lot of positives from the way they played the game, as they continue to fine tune their skills and develop their combinations in coming weeks.

**Jonathan Berger - Coach**

### **11C FOOTBALL TEAM MATCH REPORT**

It was a cold and windy morning at Kings for the second round of the 11C's football season. We were keen to perform solidly again after a win against Shore in Round 1. Our team started and played well in the first half, scoring three goals. Jake Bell, Antonio Montanari and Hugo Baker were first half standouts. Jake ensured possession of the ball stayed with Newington from his position in centre midfield, while Antonio and Hugo's exceptional passing allowed them to score the first three goals. Kings were defending strongly, and we were relieved to hear the half-time whistle. During the half-time break, we talked about the recent Champion's League semi-final between Liverpool and Barcelona. We knew that a three-goal lead meant nothing, therefore we came back on in the second half, playing harder than before. We scored an additional eight goals. Our defenders were so amazing that we could have held our lead without our goalie. When the game ended, we were eleven - nil up, even though the Kings goalie was very skilled and saved lots of shots. Overall, we've had an exciting and enjoyable start to our season. Congratulations to Jake Bell for his outstanding display of Wyvern Spirit on Saturday and to Rhys Howard-Jones, our best and fairest on the day.

**Rhys Howard-Jones 5M**

### **11D FOOTBALL TEAM MATCH REPORT**

11D's had an exciting match against Kings. The game started well, players held their positions around the field and passed the ball well. The boys sustained a solid defence and were able to keep the possession of the ball in the opposition's half for most of the game. Half way through the first half, Toby Tran dribbled the ball out of mid-field and weaved his way around the Kings' defence and scored the first two goals. From there, Miles Jenkinson managed to find the back of the net before half time.

In the second half, the team started with great enthusiasm and began their mission to score more goals. They strung together passes down the wing and across the field, managing to slip their way through the Kings' players. Well done to Dimitri Tsavdaridis, Isaac Mu, Nicholas Iliopoulos and Jack Riley for adding to our goals in the second half. Fergus FitzSimons and Nolan Pham did an incredible job in defence, making sure that Finn Cathcart, our goal keeper, didn't need to touch the ball. Aston Rose did an amazing job, particularly on the left wing, running the ball down into the opposition's half.

It was a great all-round contribution from all boys on the field.

**Ciara Harding - Coach**

### **11E FOOTBALL TEAM MATCH REPORT**

A fantastic game! Last weekend on Saturday Newington's 11E's soccer team played against Cranbrook. Although, we played a great game the score at the end of the match was 1-4 Cranbrook's way. I was very happy to see exceptional sportsmanship from both teams.

First up was a fantastic goal from Cranbrook but we didn't worry because Peter scored shortly after, all the boys in the 11E's were very grateful for his goal. However, Cranbrook then responded with yet another goal making the score 2-1 their way.

During the second half, Cranbrook and Newington took to the pitch once again. The first goal in the second half was scored by Cranbrook, this was followed by the fourth goal of the match making the final score 4-1.

I have to say everyone from both teams did their hardest to try and win. It was a great game.

**Nicholas Toskas 5S**
