9White Football	vs	Cranbrook	Lost	1 – 6	B. Diep	K. Gorjipour

## 12A RUGBY TEAM MATCH REPORT

On Wednesday, Wyvern hosted Knox U/12's rugby teams at the senior school for two fixtures, as they were unavailable to play on Saturday. Wyvern 12A's have been challenged this year in the top age division, with the three games to commence the season a definite step up from their rugby opponents in recent history. This match was no different with Knox running hard and defending with intensity in the early exchanges. Wyvern 12A's have been working hard on their support to the breakdown and defending as a team to apply more pressure on their opponents. It was pleasing to see that these aspects practiced, were following through to the match. Buddy Latham, Hugo Isherwood and Josh Elghitany were having their most industrious games for the season. All three were selfless, working hard to provide for the team. Bailey Roberts Lintmeijer and Luka Wong

were again standing out with solid defensive efforts out wider. Jasen Begetis showed nice involvements linking well with his men outside. Despite Wyverns best attempts, Knox were proving difficult to maintain, scoring a number of unanswered tries, running out comfortable winners. Despite Wyvern 12A's going down on the scoreboard, the team showed superb resilience, playing with immense pride and effort. Some of the defensive efforts in this game were outstanding! Wyvern boys never gave in! They displayed commitment, toughness and a competitive resolve that should not be dismissed, but instead admired.

**Joel Wilson - Coach**

### **12B RUGBY TEAM MATCH REPORT**

The 12B rugby team has enjoyed some competitive fixtures to commence the season, coming away with two narrow wins. Another even contest was enjoyed on Old Boys field, with both teams searching for the ascendancy in the first half. During this match the team tackled well, supported each other and were aware of their spacing over the field. This enabled Wyvern to score twice in the first half, whilst only conceding one try. Jack Duddy, Thomas Gorevski, and Luc Miller led the way up front with uncompromising play. Anthony Gregoire, Blake Dewhurst and Fletcher Laphorne carved through the defence and thwarted many Knox raids with superb low tackling. During the second half, the Knox backline began to finish off their opportunities to take the game away from Wyvern. Wyvern were tireless and played the game with great spirit! However, with the score Knox 24 – Wyvern 14 the whistle blew for fulltime. Players shook hands, and then were quickly reminded that whilst this was the first defeat for the year, it was also the best performance in terms of our standard of play.

**Joel Wilson - Coach**

### **11A FOOTBALL TEAM MATCH REPORT 18.5.19**

On a cold Saturday morning the Wyvern 11As football team were looking forward to playing a great game against St Patrick's College at their home ground.

We knew from last year that St Pat's were a school with some phenomenal football talent, but we were still confident that our teamwork and the skills that we learnt in training would give them a run for their money.

Although the score ended up being 6 -1 St Pat's way, everybody worked really hard and our effort payed off with Vasili Tzouganatos' spectacular goal in the second half thanks to some nice touches from Xavier Breslin, Massimo Zappacosta and Lachlan McCrostie in the lead up.

A big thanks also to Christian Knoph, Jameson Kang, Guinness Devlin and Liam Casey. Their efforts meant we were able to defend strongly throughout the game, with Liam Ross, our keeper, making some fantastic saves in goal.

We missed Sam Rudd's (out with an illness) strong runs in attack, but everyone had a great game and we would like to thank Mr Borger and the parents for coming to support our team.

Congratulations to Vasili who was Best & Fairest on the day and to Jameson, for being awarded Wyvern Spirit.

**Lachlan McCrostie 5D**

### **9BLACK FOOTBALL TEAM MATCH REPORT**

#### **Epic Win for Wyvern**

Wyvern's 9Black soccer team had an epic win on Saturday against a challenging team from Redlands school, with a score of 10-2.

Redlands tried their hardest, but they could not get past the Wyvern defence. Meanwhile, Wyvern's strikers bravely tried their hardest and succeeded in scoring the most goals.

**Finlay Shaw 3J**

## **9WHITE FOOTBALL TEAM MATCH REPORT**

What an enjoyable match! The sun was warm, the parents gave lots of support from the side lines and the boys showed top team spirit. Cranbrook challenged us on both pitches, and although there were not many goals for Newington, the games had great pace. Speed from Bryant Diep, a stunning goal from Jay Ziri, and good defence from our Year 3 players made for great displays. The boys continue to work on finding space and making fair passes using their eyes and voices, working as a team to offer options and support. Cranbrook outperformed us this Saturday, but it was a well-matched game that we enjoyed.

**Sara Hastie - Manager**

## **9A/B FOOTBALL TEAM MATCH REPORTS**

### **Game 1**

Last Saturday morning we arrived at Woollahra Oval 1 at 8.30am for a 9.00am kick off. The only issue was that Cranbrook thought that the match time was 8.30am, however luckily us Wyvern boys had arrived early and we were pumped and ready for kick off! Wyvern commenced by winning 1-0 followed by Cranbrook equalizing with one own goal. In true Wyvern spirit we kept pushing and ended up winning 6-1. A great result to start our Saturday morning.

**Javier Giraldo 3M**

### **Game 2**

Wow! What a great game this weekend with Newington versing Cranbrook. It was a close game with the final score being 3 all. Each team scoring back to back it was a great game to play and hopefully just as exciting to watch by our supporters.

There were amazing passes, great goals scored and an awesome effort from each player. Congratulations to Fred Harding for getting 'Wyvern Spirit'. Overall a great game played by all.

**George Pahis 3M**
