Coordinator Corner

Happy Week 9! I can't believe it's almost the end of term 2! We have had so much fun over the last term learning, creating and playing during our before and after school care. During this term we have learnt how to cook, learnt how to make fluffy slime (sorry parents) and discovered how to create giant towers out of marshmallows. The children have also enjoyed playing group game such as snatch, bull rush and survival tag. We are very excited to finish the term off well leading into our wonderful winter vacation care program. During this program we will be doing lots of activities including going rock climbing! It has been so much fun this term and cannot wait for term 3!
