

## **WYVERN SPORT TERM 4 – Week 7, 2019**

### **Wyvern 2020 Summer Sport Team Allocations Training – 1st February:**

Please note that we will be holding training the very first Saturday back in Term 1 2020. Times and venues will be available on Spaces in January for Wyvern summer sport team allocations for 2020. This training session is necessary to help allocate the boys to an appropriate team for their current level of play. This will positively affect their enjoyment, confidence and overall experience during sport at Wyvern.

This process is tricky with new students to the school and a limited amount of time before the first match on the 9th of February. Please note that we may allow a few weeks for changes to teams to be made before settling on more rigid team allocations.

### **2020 Swimming Carnival Trials for Individual Medley, 100m Freestyle Events, 50m Backstroke and 50m Butterfly Events**

Please note that we will hold time trials prior to the swimming carnival (Week 3) to determine our finalists for the Junior and Senior Individual Medley, the Junior and Open's 100m freestyle and the 50m Backstroke and 50m Butterfly events. There is no need to trial for the 50m Breaststroke and 50m Freestyle events, heats and finals are contested for these events on the day of the carnival.

Boys wishing to trial for the more difficult events must add their name to the lists on the Wyvern sport notice board. Trials will be held at the senior school pool on the following days during lunch.

**U/12's - Wednesday 29 Jan**

**U/10's - Monday 3 Feb**

**U/8/9's - Monday 4 Feb**

**U/11's - Tuesday 5 Feb**

Wyvern staff will escort boys to the pool and back leaving Playground A at 1.00pm. Boys are asked to bring lunch and swimming equipment. Boys wishing to try out for these events who are unable to attend the Senior School pool on the days listed should contact Mr Joel Wilson to arrange an alternative time for a trial.

### **Holiday Sport Camp Flyers:**

Unfortunately, Newington will not be hosting many Holiday Sport Camps during the Christmas holiday period this year. The Taylor Sports Centre will be under heavy construction with many surrounding facilities impacted as a result. Please look out for holiday camp flyers for the school holiday period. These will be made available on Newington Spaces-Wyvern Sport page.

### **Wyvern Extra Sport Activities:**

Extra Wyvern sport training sessions and activities for Term 1 will be added to Spaces before we recommence in 2020. Please see the following link for this information.

### **Coming Up**

- Saturday 1 February 2020 - Summer sport team allocations training 7.30am – 9.30am
- Saturday 8 February – Round 1 IPSHA summer sport
- Wednesday 12 February – Wyvern Preparatory School Inter-House Swimming Carnival – Ryde Aquatic Centre

### **Good Luck Year 6!**

All the best of luck to our departing Year 6 boys who are heading over to the senior school in 2020. We hope you continue to exhibit the traits learned at Wyvern on the senior sporting fields from next season and enjoy the opportunities presented. Here are a few photos of current Year 6 boys experiencing Wyvern sport over the years.
