

MARCH 19TH 2020

COMMUNITY OSH NEW SLETTER

Newington Wyvern House Preparatory School

Term 1 has been about creating strong bonds and getting to know each other.

Our Wyvern boys have been very busy here at OSH! Some of their favourite activities

include:

- Cricket
- Soccer
- Obstacle courses
- Ninja Training
- Cooking
- Science experiments
- Construction
- Art and craft
- Board games

Meet your educators:

Danielle

Rio

Kim

Yoshi

Samara

Caspar

Our team at Wyvern are committed to offering fun, exciting, challenging and interesting experiences for all children in our care.

As the end of the Term is nearing we're asking the boys what type of meals they would like to see on Term 2's menu. If you have any suggestions please feel free to let us know! There is a space for suggestions at our sign in desk!

We're also working on developing a philosophy for our service and visual display for our quality improvement plan.

Thank you for a great start to Term 1, it has been a pleasure getting know you all!

Danielle

Special Days

Harmony week:

We're celebrating Harmony week by creating a visual map to display, using pins to indicate where in the world we are all from. You'll be able to see this map at our sign in desk, we encourage everyone to drop a pin on the place or places they're from!

We will also be creating Harmony/friendship bracelets during our Harmony week celebrations!

16th of March Pupil

Free Day:

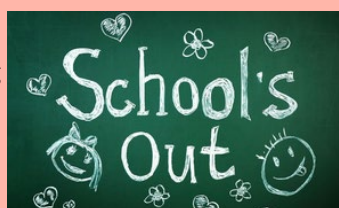

Some of our older boys treated the younger ones to an excellent puppet show! A 'puppet talent quest' which included songs like TNT, Bad Guy and Blinded by the Light!

Table tennis and creating sparkly slime were also highlights of our day!

Proper hand washing procedures and personal hygiene is something we always enforce. We have increased our sanitation at the service and will be restricting visitors such as Duke of Ed etc for the next few weeks. We will aim to provide as much information as we possibly can to families throughout the next few weeks.

We're looking forward to our Autumn session of Vacation care from the 14th to the 24th of April. We have cancelled our excursions for VAC care, however we will be providing fun in house experiences instead! You can book your child in on Fullybooked right now, we hope to see you there!
