

Wyvern Saturday Sport Plans - Update for 29 August

Dear Wyvern Community,

Please see slight changes to organisation for Saturday 29th August - Wyvern winter sport. In particular, the new pickup point for boys is now from Wyvern car park.

We are very keen to provide our boys with the opportunity to improve friendships, be healthy and enjoy themselves during these uncertain times. After such a successful morning last weekend, Wyvern winter sport will continue once more with internal fixtures to be held at Newington Senior School campus on Saturday 29th August.

We will continue to adhere to current government recommendations and follow our COVID-19 protocols. These include no parents onsite, temperature checking of students, sanitising and social distancing measures.
